How to Become a Witch: An Essential Introductory Guide to the Wiccan Religion, Important Wiccan Beliefs and Rituals, and How to Cast Spells that Work Elsey Willows

If you're ready to learn more about witchcraft and the enigmatic world of Wicca, then this book is for you!

Read on your PC, Mac, smart phone, tablet, or Kindle device.

Many people's opinions about Wicca and witchcraft are based on Hollywood movies or fictional stories that are very far from the truth. Wicca is a belief system based on the ancient traditions and rituals of witchcraft. It is a way of life centered in love, harmony, respect for nature, and achieving balance with all things. Wicca is not about evil practices or satanism - which is, sadly, the popular image it bears today due to propaganda and misconception. Wicca is actually an experiential journey – what you believe at the end of your current lifespan may not even be what you believed when you first embarked upon it. The only thing that guides you is the fruit of your own experiences, as you strive to find the path which resonates strongest with your soul. Throughout this book, I'm going to clarify the myths about witchcraft, and I'll introduce you to actual Wicca practices and rituals. I'll also teach you how wiccans work with nature to improve harmony and balance all around rather than to harm anyone or anything. By the end of this book, you'll have a complete understanding of the framework – the entire structure – which you need to discover your own Wiccan self, and then how you choose to proceed with it beyond that point will be left entirely up to you. Because that is the true essence of Wicca – the freedom of beliefs in the search of the divine, and love and acceptance of your brothers and sisters, come what may. Let's get started!
