Hey, Andrew! Teach Me Some Greek! Level 4, Workbook Karen Mohs

Hey, Andrew! Teach Me Some Greek! teaches biblical Greek to preschoolers and older students (even adults enjoy it) using a combination of deductive, inductive, and interactive methodology presented in a workbook format. This easy-to-use workbook series requires no prior knowledge of Greek. Upon completing this series, your student will have an understanding of koine (biblical) Greek. This understanding will be demonstrated in reading comprehension and writing skills. In addition, your student will have the tools to pursue his or her own study in the Greek New Testament and can combat incorrect theology based on faulty exegesis. An expanding Greek vocabulary extends your student's English vocabulary through an understanding of roots. Finally, the grammatical structure your student will learn will better prepare him or her to study other foreign languages. In the Level 4 workbook, Greek grammar is expanded to include articles, length of vowels, accents, first declension nouns, and word order. Level 4 is appropriate for those students who have completed Level 3.
