Kiss of the Spider Woman and Two Other Plays

Manuel Puig

Kiss of the Spider Woman and Two Other Plays Manuel Puig

These eminently readable plays highlight all the gifts that make Puig's fiction so remarkable.

Compiled together for the first time, here are three plays by Argentine novelist and playwright Manuel Puig: the well-known Kiss of the Spider Woman, a sharply provocative tale of love, victimization, and fantasy, and of the friendship that develops between two strikingly different men imprisoned together in a Latin American jail; Puig's first drama written directly for the stage, Under a Mantle of Stars, a recurring dream that is never ending; and Mystery of the Rose Bouquet, an astute tale of deep compassion and illusion. This is convincing proof that Manuel Puig was one of our most talented writers - no matter what the medium. Puig is the author of seven novels, translated into fourteen languages.
