Set Apart is a dynamic six-week study of 1 and 2 Kings that examines the holy habits of the prophets and kings who were set apart by their close walk with God. Each week we will explore the central story of one of these intriguing men of God and the specific practice each observed, as well as what the Bible teaches about this practice.

Each of these characters was trying to follow God while carrying out his calling on earth. As we consider their example, we will discover that even prophets and kings struggled and grew in their faith through spiritual practices, and we will learn how to follow God's unique purposes for us in His Kingdom.

The Participant Book contains five daily readings per week, each including Scripture, reflective teaching material with questions and space for recording responses, prayer suggestions, and ideas for practical application.
