What if your family was a lie? What if your name was a lie? What if your whole life was just a pack of Beautiful Lies?

If Ridley Jones had slept ten minutes later or had taken the subway instead of waiting for a cab, she would still be living the lie she used to call her perfect life. Instead, she's in the wrong place at the right time to unleash a chain of events that begins with a mysterious package on her doorstep. A package that informs her that her entire world is just an illusion. Forced to question everything she knows about herself, Ridley wanders into dark territory, where everyone is hiding something.

Sexy and fast-paced, Beautiful Lies is a true literary thriller. Lisa Unger takes us on a breathtaking ride in which every choice Ridley makes creates a whirlwind of consequences that are impossible to imagine.
