Citizen Vince: A Novel Jess Walter

One day you know more dead people than live ones...

Jess Walter is a writer with a rare talent for finding humanity and emotional truths in lives lived on both sides of the law. With his third novel, *Citizen Vince*, Walter has crafted a story as inventive as it is suspenseful -- an irresistible tale about the price of freedom and the mystery of salvation.

It's the fall of 1980, eight days before a presidential election that pits the downtrodden Jimmy Carter against the suspiciously sunny Ronald Reagan ("Are you better off than you were four years ago?"). In a quiet house in Spokane, Washington, Vince Camden wakes up at 1:59 a.m., pockets his weekly stash of stolen credit cards, and drops in on an all-night poker game with his low-life friends on his way to his witness-protection job dusting crullers at Donut Make You Hungry. This is the sum of Vince's new life: donuts, forged credit cards, marijuana smuggled in jars of volcanic ash, and a neurotic hooker girlfriend who dreams of being a real estate agent.

But when a familiar face shows up in town, Vince realizes that no matter how far you think you've run from your past . . . it's always close behind you. Over the course of the next unforgettable week, on the run from Spokane to New York's Lower East Side, Vince Camden will negotiate a maze of obsessive cops, eager politicians, and emerging mobsters, only to find that redemption might just exist in -- of all places -- a voting booth.

Darkly funny and surprisingly hopeful, *Citizen Vince* is the story of a charming crook chasing the biggest score of his life: a second chance.

From reader reviews:

Teddy Hathorn:

This Citizen Vince: A Novel book is just not ordinary book, you have after that it the world is in your hands. The benefit you will get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper you read a lot of information you will get. This specific Citizen Vince: A Novel without we recognize teach the one who looking at it become critical in imagining and analyzing. Don't end up being worry Citizen Vince: A Novel can bring whenever you are and not make your handbag space or bookshelves' come to be full because you can have it in your lovely laptop even phone. This Citizen Vince: A Novel having good arrangement in word and also layout, so you will not experience uninterested in reading.

Jessica Ball:

Your reading 6th sense will not betray an individual, why because this Citizen Vince: A Novel reserve written by well-known writer we are excited for well how to make book that may be understand by anyone who else read the book. Written within good manner for you, still dripping wet every ideas and creating skill only for eliminate your personal hunger then you still hesitation Citizen Vince: A Novel as good book not just by the cover but also with the content. This is one e-book that can break don't determine book by its protect, so do you still needing a different sixth sense to pick this particular!? Oh come on your reading through sixth sense already alerted you so why you have to listening to a different sixth sense.

Anita Winn:

This Citizen Vince: A Novel is great book for you because the content which is full of information for you who also always deal with world and also have to make decision every minute. This particular book reveal it information accurately using great arrange word or we can point out no rambling sentences in it. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but hard core information with wonderful delivering sentences. Having Citizen Vince: A Novel in your hand like obtaining the world in your arm, information in it is not ridiculous one particular. We can say that no publication that offer you world inside ten or fifteen minute right but this guide already do that. So , this really is good reading book. Hi Mr. and Mrs. busy do you still doubt this?

Christopher Jorge:

Many people spending their period by playing outside using friends, fun activity having family or just watching TV the whole day. You can have new activity to spend your whole day by reading through a book. Ugh, do you think reading a book can definitely hard because you have to accept the book everywhere? It alright you can have the e-book, having everywhere you want in your Touch screen phone. Like Citizen Vince: A Novel which is having the e-book version. So , try out this book? Let's notice.
