The Boys of Bel Ami Howard Roffman

The time has come - the Bel Ami boys met Howard Roffman; two of the most famous names of homoeroticism came together and created a new classic of male photographic art. Roffman has successfully captured emphatic black-and-white images of the boys of Bel Ami, who are obviously having a wonderful time showing off. After the incredible success of our large-format original publication, we've decided to present this work in a newer, more manageable format. Don't let this feast for the eyes pass you by.
