## **Unlocking the Masonic Code: The Secrets of the Solomon Key** Ian Gittins

Explores all aspects of the most talked about secret society in the world, from its most famous members to its infamous history.

For centuries the Freemasonry has been the subject of rumour and intrigue. From its obscure origins to the suspicion that it exercises huge influence on government and multinational corporations, there has always been more than a whiff of controversy about the organisation.

Unlocking the Masonic Code reveals the truth behind the myths, sifts the facts from the fiction, and unveils the mysterious rites and ceremonies. Ian Gittins delves deep into the true origins of the society, its philosophy and practices, describes the rituals, and profiles a number of key figures. Along the way, he also shows where fact and fiction have fought, and fiction has won the battle.
