## **Bundle: Grassroots with Readings: The Writer's Workbook, 10th + Aplia(TM), 1 term Printed Access Card** Susan Fawcett

Using her unique M-A-P approach (Model-Analysis-Practice), Susan Fawcett's books have guided hundreds of thousands of students through the writing process, from foundations of grammar, mechanics, and spelling, through writing clear sentences and well-organized paragraphs. Her inductive approach; plentiful, high-interest student models and practices; and contemporary readings engage and motivate students. This edition of GRASSROOTS features improved grammar coverage and emphasizes proofreading, with a new Chapter 6 that teaches specific proofreading strategies and shows students how to recognize their personal "error patterns," track, and correct them. Every subsequent chapter offers a proofing strategy for the concept being taught. Full-color illustrations, including 45 photos, cartoons, and artworks, plus a new design, help students visualize and understand key concepts.
