## **Fellwater: Book One of The Hidden Houses (Volume 1)** Brendan Myers

“Fellwater” is a modern fantasy novel about two lovers caught between two rival factions of an ancient secret society. On the night Katie tried to tell Eric her true feelings, all they did was argue, and she left with a broken heart. But then she met Carlo, a charming, cosmopolitan, and mysterious man from an Italian noble house. In his presence a mystical vision overtook her, and she remembered meeting him before, thousands of years ago, in the ancient Celtic iron age. But she awoke the following morning in a hospital, without knowing how she got there, and she learned that Eric spent the night in jail after being chased by gunmen. All was not as it seemed, and they were both in terrible danger. This is the second edition of this book, re-released after a successful fundraising campaign on Kickstarter.com, which covered the costs of professional editing and design work. “Myers’ characters inhabit a world rich with political intrigue; the machinations of aristocratic families descended from ancient gods. Fellwater is taut, poignant, and imaginative.” - Jordan Stratford, author of “Mechanicals” and “Wollestonecraft” “A fresh, original telling of this intriguing theme in a contemporary setting, with enchanting characters you can feel for, fear for, and get caught up in... Myers has painted gorgeous portrait, a landscape of emotion, mythology, and historical mysticism framed by his talented prose.” - Mhaoil Lain, Northern Tribes
