Total chaos is on the rise. Everyone is so caught up in their own lives they don't see it coming. Oakley learned the hard way that sometimes doing what's best for you can crush someone else. Behind every action there is a reaction. Did she make the one decision she would live to regret? K.G. is on the pursuit of happiness. Memories of her past are a constant reminder of what use to be. She's in a battle with herself to find peace. Will she forever be haunted by her past and miss out on her second chance at love? Rae is living her happily ever after with the man she loves. In the blink of an eye, that perfect life is snatched from underneath her. If It Wasn't For That Street Love 2 is a prime example of how trusting the wrong people can cost you your life.
