I hadn't expected a private dance, but there I was receiving one... and I was thoroughly enjoying myself.

My friends were sick and tired of me staying couped up in my room, studying and working on a paper that I had long since finished but couldn't stop obsessing over. I went to get some more books out of the library and came back to find them all huddled up in my dorm room demanding I go out with them for the night.

I had no idea that a fun trip to a *lesbian strip club* for the first time would result in a *night full of pure, unadulterated pleasure* with the beautiful woman, Sierra, that I got to spend time with in a private room that quickly turned from *an innocent dance to all of my dirtiest desires completely fulfilled*. How far would Sierra and I take it? You'll have to read on to find out!
