Don't Want You Back: She came home to find her roots — not to solve mysteries and fall in love.

Destiny, the first person in her poor black family to go to college, is coming home. Harvard wasn't the escape from her past she thought it might be.

Her homecoming is a surprise to her mom, who has something to admit: Since the two last spoke, Vera has gotten engaged! At first Destiny is excited, but when she realizes her mom's fiance is her **cheating billionaire ex-boyfriend**, things get sticky.

They only get stickier when she meets up with an old friend who reveals that her ex might be more than a nuisance. He might be a **murderer**! With more mysteries piling up, will Destiny's life ever make sense?

This story has it all: Steamy interracial romance, mysteries, and murder!

His Black Baby: Jealousy rules Tiffany's life. Now she has a surefire way to get what she wants: **a baby**.

Even though Max comes from **a wealthy family**, his habits threaten to send him to the poorhouse. With Charlotte, he wanted to do everything right. Too bad she just isn't interested in him after **a big mistake**. She uses him for pleasure, but doesn't want anything more serious from him.

Imagine her surprise when **she winds up pregnant!**

Tiffany, on the other hand, has loved him since they met. Max only ever saw her as a friend, until one drunk night...

Now he has **two bundles of joy on the way**, and a messy life to clean up fast.

His Chocolate Obsession: Can interracial love grow in a foreign country before Richard and Jazmine have to go home?

Jazmine is a smart, driven young black woman on a missions trip to **South Africa**. What she expected was a vacation with some hard work now and then. What she got instead was a mother deathly ill and more stress than she's ever dealt with.

When her **wealthy neighbor** finds her distraught, he brings her home to make her soup. Not realizing she's never had alcohol before, he offers her some wine and she doesn't react well to it. The next thing she knows,

she wakes up in his bed.

Will Jazmine accept Richard's interest in her? Is Richard really willing to settle for someone so much younger than him? Can love grow in a foreign country before both of them have to go home?
