This spiral-bound, full-color supplement to Milady's Standard Esthetics: Fundamentals 10th Edition textbook can be used in conjunction with your textbook, or on its own to brush up on key procedures. Each step is clearly explained and is accompanied throughout by full-color photos. At the end of each of the procedures, you'll find a list of rubrics, or ways to note and comment on your performance of each of the key tasks. Rubrics are used in education for organizing and interpreting data gathered from observations of student performance. It is a clearly-developed scoring document used to differentiate between levels of development in a specific skill performance or behavior. You can use it to evaluate yourself, other estheticians, other students, or, as an instructor, to evaluate your own students. To assist you in really learning each and every step, we've noted which procedures can be found on the companion DVD set, Milady's Standard Esthetics: Fundamentals. If you already own these DVDs, or know that your school owns them, we encourage you to watch the procedure in video to strengthen your understanding of that particular procedure.
