As Director of the Supernatural Enforcement Bureau, powerful Vampire Ronan, thought he had seen it all...until he discovers that Dragons actually exist. Can he help the Dragon being hunted on his patch? He certainly has the means at his disposal...if they can find it first...before the dark magic-wielding Witches and their Vampire cohorts.

After seeing the magnificent beast with his own eyes he can't turn from the task, even if he wanted to. Especially as his Sire, Josef, gives him a direct command to find the Dragon and keep it safe. No matter the cost.

With rogue Vampires and Witches on its trail, it's only a matter of time before they capture it. That's not something Ronan will allow...not on his watch! He will do whatever it takes to find and save the Dragon, using every powerful being at his disposal, including the dark and dangerous Creed.
