Colin Wilson

## **The Angry Years: A Literary Chronicle** Colin Wilson

Colin Wilson's 1956 work *The Outsider* contributed largely to the popularization of existentialism in Britain and helped earn him the Angry Young Man label. Here he takes us on a journey back to this era, revealing fascinating and sometimes disturbing stories from the greats, including John Osborne, Kingsley Amis, Kenneth Tynan, and John Braine—to name but a few. Historically, the Angry Young Man movement gave birth to the satire movement of the 1960s—*Beyond the Fringe*, *That Was the Week that Was*, and *Private Eye*. Their irreverence aroused enthusiasm, and a new anti-establishment mood developed from *Look Back in Anger* and *The Outsider*. The story of that period makes a marvelously lively tale which, most importantly, was recorded by someone who was actually there.
