Koi Care Secrets is a fact-dense book that picks up where other koi books, videos and resources left off.

This book is an exclusive, intelligently structured interview with Ben Plonski, arguably THE top koi expert in America, who reveals his vast array of insider expertise and surprising secrets he's learned about koi care over the past 40+ years. Here's what people are saying about Ben:

"I'm the Chairman of Koi judges for the Koi shows in the United States for AKCA. When it comes to the health of Koi and water quality, there isn't anyone better than Ben. He's one of the top Koi dealers in the country, and I trust him to care after our personal Koi pond. I'll stand behind Ben at the drop of a hat."

Bob Finnegan, Chairman

Associated Koi Clubs of America

Costa Mesa, CA

"...Having been in the koi and tropical fish hobby his whole life as well as having a degree in Marine Biology, Ben is an expert. He is very knowledgeable and keeps abreast of the latest innovations of pond design and filtration as well as the care and nutrition of koi. He travels to Japan every year as well as to koi events around the country. He is a very personable businessman and, above all, very honest and straightforward. He gives the impression that he is a partner in helping me keep my pond and koi healthy."

Pam Spindola

Koi hobbyist & Previous Editor of Koi USA Magazine

Tustin, CA

With this streamlined interview format, the author keeps our koi expert laser-focused on the most important questions, problems, and solutions you need to know to save time, save money, and avoid frustration with your koi fish and pond.

INSIDE, YOU WILL DISCOVER ...

- * The 4 things to check before you add new fish to your pond to keep them from getting sick
- * 7 ways to keep predators from gobbling up your koi for lunch
- * The deadly chemical in your tap water and how to eliminate it from your pond. **WARNING:** It doesn't evaporate from the water like chlorine does. Each week, Ben sees people who've accidentally killed their koi with this mistake. But you'll never have to worry
- * Koi selection secrets: Why next year's eye-catching beauty may be an "ugly duckling" today
- * Mixing koi and goldfish? Know this

- * The amazing true story of the 225 year-old koi fish!
- * How to avoid overcrowding with the "Fish Quantity Formula"
- * Filtration secrets for healthy koi ponds
- * The 3 pillars of Koi Health Care
- * Natural, chemical-free disease control. Plus, the truth about antibiotics
- * How hand-feeding your koi can hypnotize them into giving up their lives to predators and what to do about it
- * Why you should not feed your koi during certain months and feed up to 8 times a day during others (reduces risk of disease and organ problems while contributing to healthy skin)
- * Discover which foods improve the colors on your koi
- * The one common koi food ingredient you should avoid that leads to skin problems and pollutes your pond
- * The effective way to test your koi pond's ammonia level
- * 2 safe and natural "miracle additives" that reduce fish waste, minimize bad bacteria, and keep your koi and pond water healthy
- * Why most koi live until their owners kill them, and how you can double or triple the life of your koi
- * The 4 most common causes of death for koi and how to avoid them
- * The 2 types of ponds where koi don't belong and why
- * And much more

Koi Care Secrets reveals easy-to-follow advice to help your fish live longer ... save money ... reduce maintenance hassles ... and bring you far greater enjoyment from your koi pond for years to come.
