**Black Wind (A Dirk Pitt Novel, No. 18)** Clive Cussler, Dirk Cussler  
Clive Cussler's dazzling new Dirk Pitt(r) adventure.

Clive the Mighty!" hailed Kirkus Reviews about Cussler's last Dirk Pitt(r) novel, *Trojan Odyssey*. "Hurricane Clive at his most tumultuous." Nobody has been able to match Cussler yet for the intricate plotting and sheer audacity of his work, and *Black Wind* sets the bar even higher.

In the waning days of World War II, the Japanese tried a last desperate measure—a different kind of kamikaze mission, this one carried out by two submarines bound for the West Coast of the United States, their cargo a revolutionary new strain of biological virus. Neither sub made it to the designated target.

But that does not mean they were lost.

Someone knows about the subs and what they bore, knows too where they might be, and has an extraordinary plan in store for the prize inside—a scheme that could reshape the world as we know it. All that stands in the way are three people: a marine biologist named Summer, a marine engineer named Dirk, and their father, Dirk Pitt, the new head of NUMA. Pitt has faced devastating enemies before, and has even teamed up with his children to track them down. But never has he looked upon the face of pure evil . . . until now.

Filled with dazzling suspense and breathtaking action, *Black Wind* is Cussler at the height of his storytelling powers.
