India before Europe

Catherine B. Asher, Cynthia Talbot

India before Europe Catherine B. Asher, Cynthia Talbot

India is a land of enormous diversity. Cross-cultural influences are everywhere in evidence, in the food people eat, the clothes they wear, and in the places they worship. This was ever the case, and at no time more so than in the India that existed from 1200 to 1750, before the European intervention. This beautifully illustrated book takes the reader on a journey across the political, religious and cultural landscapes of medieval India. It is fluently composed, with a cast of characters that will educate students and general readers alike.
