*Absolute Beginners Guide: Stringing Beaded Jewelry*, the first book in the Absolute Beginners Guide series, is a comprehensive introduction to stringing. Presented in a warm, reassuring tone, this book provides easy-to-follow instructions designed for someone who is just learning the craft. Readers feel informed, but not overwhelmed, by the explanation of the basic tools and supplies for beading, how to choose them in a bead store, and by suggestions for setting up a simple working area. The first projects are very easy, teaching stringing a repeating pattern and using graduated beads. Then it moves into more complex projects including using connectors and knotting techniques. This true introductory manual is written with friendliness and approachability.
