The Origin of Table Manners: Mythologiques, Volume 3 (Mythologiques Series)

Claude Lévi-Strauss

The Origin of Table Manners: Mythologiques, Volume 3 (Mythologiques Series) Claude Lévi-Strauss
"The Origin of Table Manners is the third volume of a tetralogy devoted to American Indian mythology. Unlike the first two volumes (*The Raw and the Cooked, From Honey to Ashes*), which are devoted to South American myths, the present one establishes relations with North America, which is the subject of the fourth (*The Naked Man*). . . . In the course of the analysis, the myths link up with ideas of more general interest. Thus, we find discussions of numeration, of morals, and of the origin of the novel. . . . *The Origin of Table Manners* is thus of special interest to students of American Indian mythology, although it contains ideas of interest to other fields and even to the general reader."—Daniel C. Raffalovich, *American Anthropologist*

"An immense anthropological erudition is here wielded by one of the world's finest minds, and the myths themselves have never been taken more seriously. . . . [Lévi-Strauss] raises issues and then resolves them with the suspenseful cunning of a mystery novelist."—John Updike, *New Yorker*
