Deceptions in the government/media story have covered up the truth of what happened on 9/11/2001. No Muslims boarded the four 9/11 airliner flights, and no cell phone calls were possible at their flying altitudes and speeds. Two of the airliners interchanged with airliner-painted military airplanes operated as drones. The twin towers in the WTC were struck by Flight 11 and one drone. The WTC buildings were destroyed by extremely powerful explosives, including mini-nukes. The other drone attacked the Pentagon but skipped over as a converging missile struck the skipped-over place.
