*Edward Rutherfurd*

**Sarum: La novela de Inglaterra (Spanish Edition)** Edward Rutherfurd

**Como hizo en *Londres, París, Nueva York y Rusia*, Rutherfurd combina con habilidad un cuidado detalle histórico, con una serie de aventuras y unos personajes muy reales.**

En *Sarum*, Rutherfurd se adentra esta vez en los entresijos históricos de la civilización británica, civilización que cobra vida a través de los acontecimientos que tuvieron lugar en la zona de Salisbury a lo largo de casi cien siglos.

Los parajes de Salisbury serán el escenario por el que transcurran las agitadas vidas de cinco familias muy diferentes. Se trata de los Wilson y los Shockley, envueltos en una espiral de rivalidad y venganza durante más de cuatrocientos años; de los Mason, involucrados en la creación de lugares como Stonehenge o la catedral de Salisbury; de los Porteus, descendientes de un joven soldado romano en el exilio; y de la familia aristocrática de los Godfrey, que caerán en la absoluta miseria antes de lograr recuperar su fortuna.

Un minucioso retrato de la civilización británica firmado por uno de los grandes maestros de la novela histórica que nos recuerda que son los destinos individuales los que trazan el devenir de los grandes acontecimientos.
