Though Chicken Soup is comforting, these days the soul needs a lot more; it needs a total and complete makeover. This book contains 55 self-revealing, Holy-Spirit inspired, thought-provoking, and heartfelt devotionals written especially for black women—one for each week of the year (three extra devotionals for Week 52). Each devotional ends with a prayer box that allows you to personally commit yourselves and journal pages for you to jot down reflection notes on the author's experiences and your own in relation to the Word of God (Yahweh). Also included are day-by-day instructions on how to use them as inspirational tools to create and write your own devotionals.
