Project Superhero E. Paul Zehr

Winner of the IPPY Silver Medal for Juvenile Fiction in 2015.

Join 13-year-old Jessie as she keeps a diary of her class's yearlong research project on superheroes, which culminates in the Superhero Slam: a head-to-head debate battle in front of the entire school. It's shy, comics-obsessed Jessie's dream come true . . . and worst nightmare. She decides to champion Batgirl, a regular person (albeit with major talent and training under her utility belt), and soon Jessie wonders what it would take to be Batgirl. Will she prove to her best friends, Cade and Audrey, that she's more than a sidekick? Can she take down archenemy Dylan at the Slam?

Combining science facts, lively illustrations, and comic-book trivia with actual correspondence from superhumans such as NYPD Sergeant Mike Bruen, Olympian Clara Hughes, and *Captain Marvel* writer Kelly Sue DeConnick, *Project Superhero* is a celebration of the heroes among us and of one girl's super-secret identity: herself.

From reader reviews:

Donna Jennings:

Book is to be different for each and every grade. Book for children until eventually adult are different content. We all know that that book is very important usually. The book Project Superhero has been making you to know about other expertise and of course you can take more information. It is quite advantages for you. The publication Project Superhero is not only giving you more new information but also being your friend when you sense bored. You can spend your spend time to read your publication. Try to make relationship using the book Project Superhero. You never really feel lose out for everything when you read some books.

Ryan Wysocki:

The reason? Because this Project Superhero is an unordinary book that the inside of the guide waiting for you to snap that but latter it will shock you with the secret the idea inside. Reading this book close to it was fantastic author who all write the book in such incredible way makes the content inside easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you because of not hesitating having this anymore or you going to regret it. This amazing book will give you a lot of benefits than the other book have got such as help improving your expertise and your critical thinking method. So , still want to hold off having that book? If I have been you I will go to the e-book store hurriedly.

Edna Miller:

Are you kind of hectic person, only have 10 as well as 15 minute in your day to upgrading your mind expertise or thinking skill actually analytical thinking? Then you are experiencing problem with the book compared to can satisfy your small amount of time to read it because this all time you only find e-book that need more time to be examine. Project Superhero can be your answer given it can be read by anyone who have those short free time problems.

Sandra Jordon:

What is your hobby? Have you heard that question when you got scholars? We believe that that question was given by teacher for their students. Many kinds of hobby, Everybody has different hobby. And also you know that little person including reading or as looking at become their hobby. You have to know that reading is very important and also book as to be the issue. Book is important thing to increase you knowledge, except your personal teacher or lecturer. You discover good news or update with regards to something by book. Many kinds of books that can you choose to use be your object. One of them are these claims Project Superhero.
