Ruby (Landry Book 1) V.C. Andrews

In the heart of the bayou, Ruby Landry lives a simple, happy life. But innocence can't last forever...

The only family Ruby Landry has ever known are her loving guardian, Grandmère Catherine, a Cajun spiritual healer, and her drunken, outcast Grandpère Jack. Although thinking about her dead mother and mysterious father sometimes makes her feel as mournful as the wind sighing through the Spanish moss, Ruby is grateful for all she has. Her life is filled with hope and promise...especially when her attraction for handsome Paul Tate blossoms into a mysterious, wonderful love. But Paul's wealthy parents forbid him to associate with a poor Landry, and Grandmère urges her to follow her dream of becoming a great painter, foreseeing a time when Ruby will be surrounded with riches in the dazzling city of New Orleans! Yet she cannot know how close that uncertain future looms....

In a faded photograph, Ruby glimpses for the first time the image of her father -- and learns of a shameful deception and a shocking scheme of blackmail that now must come to light. Stunned by these revelations, she is devastated when Grandmère dies, leaving her to seek out her father in his vast New Orleans mansion. There, in a house of lies, madness, and cruel torment, Ruby clings to her memories of Paul to keep her heart alive. For only their love can save her now....

From reader reviews:

Ann Wren:

Here thing why this specific Ruby (Landry Book 1) are different and trusted to be yours. First of all studying a book is good but it depends in the content of it which is the content is as yummy as food or not. Ruby (Landry Book 1) giving you information deeper since different ways, you can find any book out there but there is no publication that similar with Ruby (Landry Book 1). It gives you thrill studying journey, its open up your eyes about the thing which happened in the world which is probably can be happened around you. It is easy to bring everywhere like in park your car, café, or even in your approach home by train. Should you be having difficulties in bringing the paper book maybe the form of Ruby (Landry Book 1) in e-book can be your alternate.

Susan Gagnon:

Playing with family in a park, coming to see the water world or hanging out with good friends is thing that usually you have done when you have spare time, in that case why you don't try issue that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love Ruby (Landry Book 1), you can enjoy both. It is excellent combination right, you still want to miss it? What kind of hangout type is it? Oh seriously its mind hangout fellas. What? Still don't have it, oh come on its known as reading friends.

Ronald Stallings:

This Ruby (Landry Book 1) is great reserve for you because the content and that is full of information for you who also always deal with world and still have to make decision every minute. That book reveal it facts accurately using great organize word or we can say no rambling sentences in it. So if you are read the item hurriedly you can have whole information in it. Doesn't mean it only gives you straight forward sentences but tricky core information with splendid delivering sentences. Having Ruby (Landry Book 1) in your hand like obtaining the world in your arm, data in it is not ridiculous one particular. We can say that no reserve that offer you world within ten or fifteen moment right but this guide already do that. So , it is good reading book. Hey there Mr. and Mrs. busy do you still doubt in which?

Lidia Flynn:

Do you like reading a guide? Confuse to looking for your best book? Or your book has been rare? Why so many issue for the book? But any people feel that they enjoy regarding reading. Some people likes reading, not only science book but in addition novel and Ruby (Landry Book 1) or maybe others sources were given know-how for you. After you know how the truly amazing a book, you feel desire to read more and more. Science e-book was created for teacher or students especially. Those textbooks are helping them to increase their knowledge. In other case, beside science publication, any other book likes Ruby (Landry Book 1) to make your spare time far more colorful. Many types of book like this one.
