Long before Nicolina Desmond manifested her powers as a wizard, she was a Normal girl with extraordinary circumstances. In order to prove herself and escape her father's chokehold on her life, she's determined to get on the fast track towards an independent life.

However, she never anticipated how meeting Richard Murphy would change her life...

Tales of the Winter Wolf follows the adventures of Nicole and Richard, predominant characters from Witch & Wolf #2, Winter Wolf. Spoilers for the novel are contained within!

Volume One contains the following stories:

### Hunted

Nicolina Desmond should have known that her twin's overly friendly behavior with the eligible Fenerec males would land her in trouble, but she never expected how far young, single werewolves would go to secure a mate.

### The Scent of Guilt

When Richard is invited to hunt Nicolina's kidnappers with her father, he jumps at the chance. With Desmond lusting for blood and violence, Richard is forced to toe the line between mercy, justice, and revenge.

### Firecracker

Charles Desmond's influence isn't enough to stop those who are determined to take Richard's rank through force. With Nicolina Desmond out on the hunt to kill him once and for all, he'll need a lot more than luck to survive his stay with the Desmonds.

### Glitter

Richard Murphy has many sides, and Nicolina Desmond is dismayed to discover that he truly has the patience of a hunting wolf and his pranks are just as nefarious as hers. When the bodies of Fenerec turn up in her back yard, however, she might have to kill again, and her target is none other than Yellowknife's injured Alpha.
