Ali Rain

Sometimes I think to myself, "How did I get here?" Then the pain hits and I remember...it's because she's gone. I now live in a new town, go to a new school, and I'm supposed to be moving on with my new life. Only, I no longer know who I am anymore. Dancing is all I have left and every day I feel completely alone. Silence has become the theme song to my life. She said to find some joy and light, but I don't know how. Mostly, I feel surrounded in darkness...that is until I meet him.

Drew Hale

I have only one goal, in 298 days I'm going to drive away from this small beach town and never return. People are always watching me closely, too close, and I'm tired of wearing a mask. I need to be free. Swimming is my ticket out of here and I remind myself daily to fly under the radar, stick to my routine, and under no circumstances let anything distract me. I'm not as perfect as they think, most days I am drowning in guilt. I'm not sure I will ever be able to escape the feelings of shame, worthlessness, and just being unwanted...that is until I meet her.
