Miracles Within: where science and faith merge Ben Raffi

Most self help and self healing books do not give you the solution but they merely give you suggestions and advice. This book shows you how to overcome physical and emotional issues in a very simple and effective way. Based on proven techniques, not only you will learn different ways of how to help yourself but also will help you to overcome your doubts by many supportive scientific research, quotes and actual cases. If practiced properly one should see results almost instantly in most cases. Some people might even surprise themselves and see a miraculous result which is the authors wish and purpose in introducing this book to the public
