The Norton Anthology of World Religions: Christianity

The Norton Anthology of World Religions: Christianity

This groundbreaking new Norton Anthology enables the six major, living, international world religions to speak to students in their own words.

Edited by world-renowned scholars under the direction of Pulitzer Prize–winner Jack Miles, *The Norton Anthology of World Religions* provides a flexible library of more than 1,000 primary texts from the world’s major religions—Hinduism, Buddhism, Daoism, Judaism, Christianity, and Islam—in six portable paperbacks. This anthology unites foundational works—the *Bhagavad Gita*, the *Daode jing*, the Bible, the Qur’an—with the writings of scholars, seekers, believers, and skeptics whose voices have kept these religions vital for centuries, allowing instructors to shape a variety of courses. The selections are supported by the meticulously prepared apparatus—introductions, explanatory annotations, bibliographies, maps, and glossaries—for which Norton Anthologies have set the standard for fifty years.

Unprecedented in scope and approach, *The Norton Anthology of World Religions: Christianity* brings together over 150 texts from the Apostolic Era to the New Millennium. The volume features Jack Miles’s illuminating General Introduction—“How the West Learned to Compare Religions”—as well as Lawrence S. Cunningham’s “The Words and the Word Made Flesh,” a lively primer on the history and core tenets of Christianity.

If you did not have enough space to deliver this book you can buy the actual e-book. You can m0ore easily to read this book from the smart phone. The price is not too expensive but this book possesses high quality.

Beth Johnson:

As a college student exactly feel bored to be able to reading. If their teacher questioned them to go to the library or even make summary for some reserve, they are complained. Just minor students that has reading's heart or real their pastime. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that examining is not important, boring and also can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this The Norton Anthology of World Religions: Christianity can make you experience more interested to read.
