Morris Bishop killed his first girl when he was nineteen. He loved his neighbor and he didn't see any other way to make her belong to him, so he captured her in his house. He couldn't stop since then. He didn't think anything or anyone would ever stop him.

A popular mystery writer. Max Stevenson is a realist. He doesn't believe in little, green men, ghosts, or messages from the world of the dead. That is until he reads an article in a newspaper and starts having dreams of the house. The same house night after night. Now he suddenly wants to write a supernatural thriller, but not until he finds the house. The house from his dreams ... Then not only the genre of his book will change, but his whole life.
