*Cornelius T. Leondes*

## **Image Processing and Pattern Recognition, Volume 5 (Neural Network Systems Techniques and Applications) (Pt. 5)** Cornelius T. Leondes

**Image Processing and Pattern Recognition** covers major applications in the field, including optical character recognition, speech classification, medical imaging, paper currency recognition, classification reliability techniques, and sensor technology. The text emphasizes algorithms and architectures for achieving practical and effective systems, and presents many examples. Practitioners, researchers, and students in computer science, electrical engineering, and radiology, as well as those working at financial institutions, will value this unique and authoritative reference to diverse applications methodologies.

### Key Features

- \* Coverage includes:
- \* Optical character recognition
- \* Speech classification
- \* Medical imaging
- \* Paper currency recognition
- \* Classification reliability techniques
- \* Sensor technology

Algorithms and architectures for achieving practical and effective systems are emphasized, with many examples illustrating the text. Practitioners, researchers, and students in computer science, electrical engineering, and radiology, as well as those working at financial institutions, will find this volume a unique and comprehensive reference source for this diverse applications area.

### **From reader reviews:**

#### **Elizabeth Webster:**

As people who live in the actual modest era should be up-date about what going on or info even knowledge to make all of them keep up with the era that is always change and move ahead. Some of you maybe will probably update themselves by studying books. It is a good choice for you personally but the problems coming to an individual is you don't know what one you should start with. This Image Processing and Pattern Recognition, Volume 5 (Neural Network Systems Techniques and Applications) (Pt. 5) is our recommendation so you keep up with the world. Why, as this book serves what you want and need in this era.

#### **Joseph Benoit:**

Playing with family in a park, coming to see the sea world or hanging out with close friends is thing that usually you could have done when you have spare time, after that why you don't try issue that really opposite from that. Just one activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love Image Processing and Pattern Recognition, Volume 5 (Neural Network Systems Techniques and Applications) (Pt. 5), it is possible to enjoy both. It is excellent combination right, you still wish to miss it? What kind of hang-out type is it? Oh seriously its mind hangout men. What? Still don't obtain it, oh come on its named reading friends.

#### **Marie Slaughter:**

Is it you actually who having spare time and then spend it whole day simply by watching television programs or just telling lies on the bed? Do you need something totally new? This Image Processing and Pattern Recognition, Volume 5 (Neural Network Systems Techniques and Applications) (Pt. 5) can be the reply, oh how comes? It's a book you know. You are therefore out of date, spending your free time by reading in this completely new era is common not a geek activity. So what these ebooks have than the others?

#### **Raymond Guajardo:**

What is your hobby? Have you heard that will question when you got pupils? We believe that that question was given by teacher on their students. Many kinds of hobby, Everyone has different hobby. And you know that little person like reading or as looking at become their hobby. You need to know that reading is very important along with book as to be the factor. Book is important thing to provide you knowledge, except your personal teacher or lecturer. You discover good news or update concerning something by book. Different categories of books that can you choose to adopt be your object. One of them is this Image Processing and Pattern Recognition, Volume 5 (Neural Network Systems Techniques and Applications) (Pt. 5).
