The First World War: The War to End All Wars

Peter Simkins, Geoffrey Jukes, Michael Hickey

The First World War: The War to End All Wars Peter Simkins, Geoffrey Jukes, Michael Hickey
Raging for over four years across the tortured landscapes of Europe, Africa and the Middle East, the First World War changed the face of warfare forever. Characterized by slow, costly advances and fierce attrition, the great battles of the Somme, Verdun and Ypres incurred human loss on a scale never previously imagined. This book, with a foreword by Professor Hew Strachan, covers the fighting on all fronts, from Flanders to Tannenberg and from Italy to Palestine. A series of moving extracts from personal letters, diaries and journals bring to life the experiences of soldiers and civilians caught up in the war.

From reader reviews:

Joyce Adam:

Book is definitely written, printed, or illustrated for everything. You can realize everything you want by a book. Book has a different type. As it is known to us that book is important point to bring us around the world. Alongside that you can your reading skill was fluently. A reserve The First World War: The War to End All Wars will make you to possibly be smarter. You can feel much more confidence if you can know about every little thing. But some of you think in which open or reading some sort of book make you bored. It is not necessarily make you fun. Why they might be thought like that? Have you seeking best book or suited book with you?

Leo Rizer:

The book The First World War: The War to End All Wars can give more knowledge and information about everything you want. Why must we leave a very important thing like a book The First World War: The War to End All Wars? A few of you have a different opinion about e-book. But one aim in which book can give many info for us. It is absolutely proper. Right now, try to closer together with your book. Knowledge or data that you take for that, you can give for each other; you could share all of these. Book The First World War: The War to End All Wars has simple shape but the truth is know: it has great and big function for you. You can seem the enormous world by available and read a book. So it is very wonderful.

Dustin Kellett:

Information is provisions for those to get better life, information these days can get by anyone in everywhere. The information can be a understanding or any news even restricted. What people must be consider whenever those information which is inside the former life are challenging to be find than now could be taking seriously which one is appropriate to believe or which one the actual resource are convinced. If you obtain the unstable resource then you understand it as your main information we will see huge disadvantage for you. All of those possibilities will not happen throughout you if you take The First World War: The War to End All Wars as the daily resource information.

Albert Lightner:

Often the book The First World War: The War to End All Wars has a lot details on it. So when you make sure to read this book you can get a lot of benefit. The book was written by the very famous author. The author makes some research before write this book. That book very easy to read you can obtain the point easily after perusing this book.
