BOOK DESCRIPTION: The only woman Jake McCann wants is the one he can never have. But even though he knows loving Sophie Sullivan isn't the right thing to do...how can he possibly resist?

Sophie Sullivan, a librarian in San Francisco, was five years old when she fell head over heels in love with Jake McCann. Twenty years later, she's convinced the notorious bad boy still sees her as the "nice" Sullivan twin. That is, when he bothers to look at her at all. But when they both get caught up in the magic of the first Sullivan wedding, she knows it's long past time to do whatever it takes to make him see her for who she truly is...the woman who will love him forever.

Jake has always been a magnet for women, especially since his Irish pubs made him extremely wealthy. But the only woman he really wants is the one he can never have. Not only is Sophie his best friend's off-limits younger sister...he can't risk letting her get close enough to discover his deeply hidden secret.

Only, when Sophie appears on his doorstep as Jake's every fantasy come to life—smart, beautiful, and shockingly sexy—he doesn't have a prayer of taking his eyes, or his hands, off her. And he can't stop craving more of her sweet smiles and sinful kisses. Because even though Jake knows loving Sophie isn't the right thing to do...how can he possibly resist?

I ONLY HAVE EYES FOR YOU is part of Bella Andre's New York Times and USA Today #1 bestselling Sullivan series. While it can easily be read as a stand-alone story, you'll likely enjoy reading the other Sullivan books, too.
