The Unbearable Wholeness of Being: God, Evolution, and the Power of Love Ilia Delio

The award-winning author of *Christ in Evolution* and *The Emergent Christ* breaks new ground with this capstone in a trilogy that opens our eyes to the everywhere active, all powerful, all intelligent Love that guides and directs our new awareness of interrelatedness and interbeing.

She writes: We all have a part to play in this unfolding Love; we are wholes within wholes; persons within persons; religions within religions. We are one body and we seek one mind and heart so that the whole may become more whole, more personal and unified in love. This is our Christian vocation, to live in the Christ who is rising up from the ashes of death to become for us the God of the future.
