## **I'm Not That Woman: A Fatherless Daughter's Journey to Being** Angela Carr Patterson

This is the story of one woman, a fatherless daughter, who simply wanted someone to love her. She finally discovers what she's looking for, but in a place she never thought to look, within herself. Angela Carr Patterson weaves an authentic, painful, yet transformative journey inside the deeper parts of fatherless daughter women who grew up without the safety and security of a loving, hands-on father. In this book, she defines the true meaning of a fatherless daughter and explains why so many women suffer from this syndrome, even though their fathers were in the home with them. Angela shares her inner most secrets as she attempts to help women to understand that it's not what they are doing that's keeping their lives stuck, instead it's who they are being. Angela offers seven keys to discovering your truest authentic voice and to help you begin to move away from the stigma of being a fatherless daughter to your journey of love, acceptance and forgiveness. "Your defining moment is when you are willing to let go of who you are not, step into your most powerful space, and become who you were born to be. When this shift happens within you, you can then shout, "I'm Not That Woman...a Brand New Me and a Brand New Destiny."--Angela Carr Patterson
