Made For Another: Caroline Dawson Series - Book 1 Alesha Cary

A new town. A new career. And a new beau.

For Sarah Kingman, it was like starting a new life. After caring for her invalid mother for the past three years, Sarah was back at school pursuing her dream of becoming a registered nurse.

Problem is, at 22 she doesn't have a lot in common with the other students and although the staff at the hospital has accepted her as "one of their own", she's still little more than a volunteer. Long hours of school, studies and working leave little time for making new friends, let alone dating.

That is, until she meets Tony. Cute, charming, exciting in a "bad boy" kind of way. Maybe her luck is looking up, after all.

When Tony starts showing signs of possessiveness and wants to push the relationship faster than she's comfortable with, Sarah decides that maybe it's time to check in with her Aunt Caroline Dawson, an expert who is used to spotting warning signs in people's handwriting.

Sarah knows she's definitely attracted to Tony, but these days a girl can't be too careful.
