*Napoleon Hill's Golden Rules: The Lost Writings* consists of a series of magazine articles Napoleon Hill wrote between 1919 and 1923 for Success Magazine, of which he eventually became an editor. Hill's obsession with achieving material success had led him from poverty-stricken Appalachian Mountains with the desire to study successful people. These articles focus on Hill's philosophy of success, drawing on the thoughts and experience of a multitude of rags-to-riches tycoons, showing readers how these successful people achieved such status. Many of his writings such as the chapter on Law of Attraction, written in the March 1919 issue, have recently become the basis of several bestselling books. Readers will discover principles that will assure their success if studied and put into action. Chapters include:
