As parents, we need to do everything we can to enhance our children's relationship with us, to influence their relationships with those outside the home, and most importantly, to advance their relationship with God. Designed for use in personal study or in small groups, The Parental Guidance Required DVD and study guide are practical resources that will help parents to ask themselves the important questions: Am I economizing my time with my child, or am I investing in my child by carefully developing the quality of our relationship over the long haul? Am I striving to control the influence that friends have in my child's life? Am I nurturing a healthy, eternal perspective that will help my child to weather the inevitable storms of life? DVD include 4 complete sermons and six group sessions that correspond to the companion study guide.
