*The Book of Daniel* is a study, a commentary of the book of Daniel in the Bible. Each verse and each sentence is dissected to unveil great prophecies which are coming to fruition today. It cannot be over-emphasized how relevant this book is to our current generation. The book of Daniel covers everything from the sorry state of today's denominations, to corrupt governments whom will not be changed before the end of the world as we know it. Many devastating things which will come to pass are clearly defined in this book. However, Daniel doesn't stop here. We, the children of God, are shown the beautiful way of a true Christian's life, as modeled by Daniel himself. We truly are blessed and must give all glory to God for His generous gift of salvation, through His Son, Jesus Christ.

*The Book of Daniel* is written from a series of messages by Russell Martin Stendal, while in Colombia, South America. Originally written in Spanish, this book is now available in English. This is a very important book for Christians today.
